

- NET is proud to be working with Leeds City Council and Voluntary Action Leeds to deliver **Warm Spaces** across our local area.
- Warm Spaces are places where people can come together in a warm, safe, welcoming environment and enjoy a hot drink and some company.
- The NET Warm Spaces take place at a variety of different locations around our district, all offer free hot drinks and a range of free refreshments including hot toast and crumpet or cake or scones. The Warm Spaces are open age, so everyone is welcome to come along to enjoy the warmth and some friendly company.
