

# Ukraine Appeal

We would like to say a very big thank you to all NET staff, volunteers and clients for their generous support for the Ukraine Appeal. Over the last few weeks we have raised a wonderful £430.30.

This magnificent amount will go to help local refugees who are being resettled in local communities in the Leeds area.

## Solace

From snowy skies and terror lands  
And ruined homes wrought by evil hands  
To rest and ease and views so fine  
And yes the sun does sometimes shine  
Somewhere to lay your weary heads  
And children in their cosy beds  
Somewhere to play without a care  
Green grass and flowers everywhere  
Food and drink and generosity  
Given with love by the community  
From carers and friends across ocean blue  
With open arms we will welcome you.
